

Phi Khanh Do

Full-stack Software Engineer

✉ ngoisaomouoc555@gmail.com 📍 Doc Mo 3, Gia Tan1, Thong Nhat, Dong Nai, Vietnam

About

I am an advanced full-stack developer with over 8 years of experience in structuring, developing and implementing interactive websites and applications. I've experienced with all stages of development cycle for dynamic web projects. I have strong communication and collaboration skills, and a desire to work as part of a team committed to a common goal. I always strive to exceed expectations. I'm also a quick learner of new technologies and I still love to immerse myself in trending tech.
